1st Brookline PORCHFEST

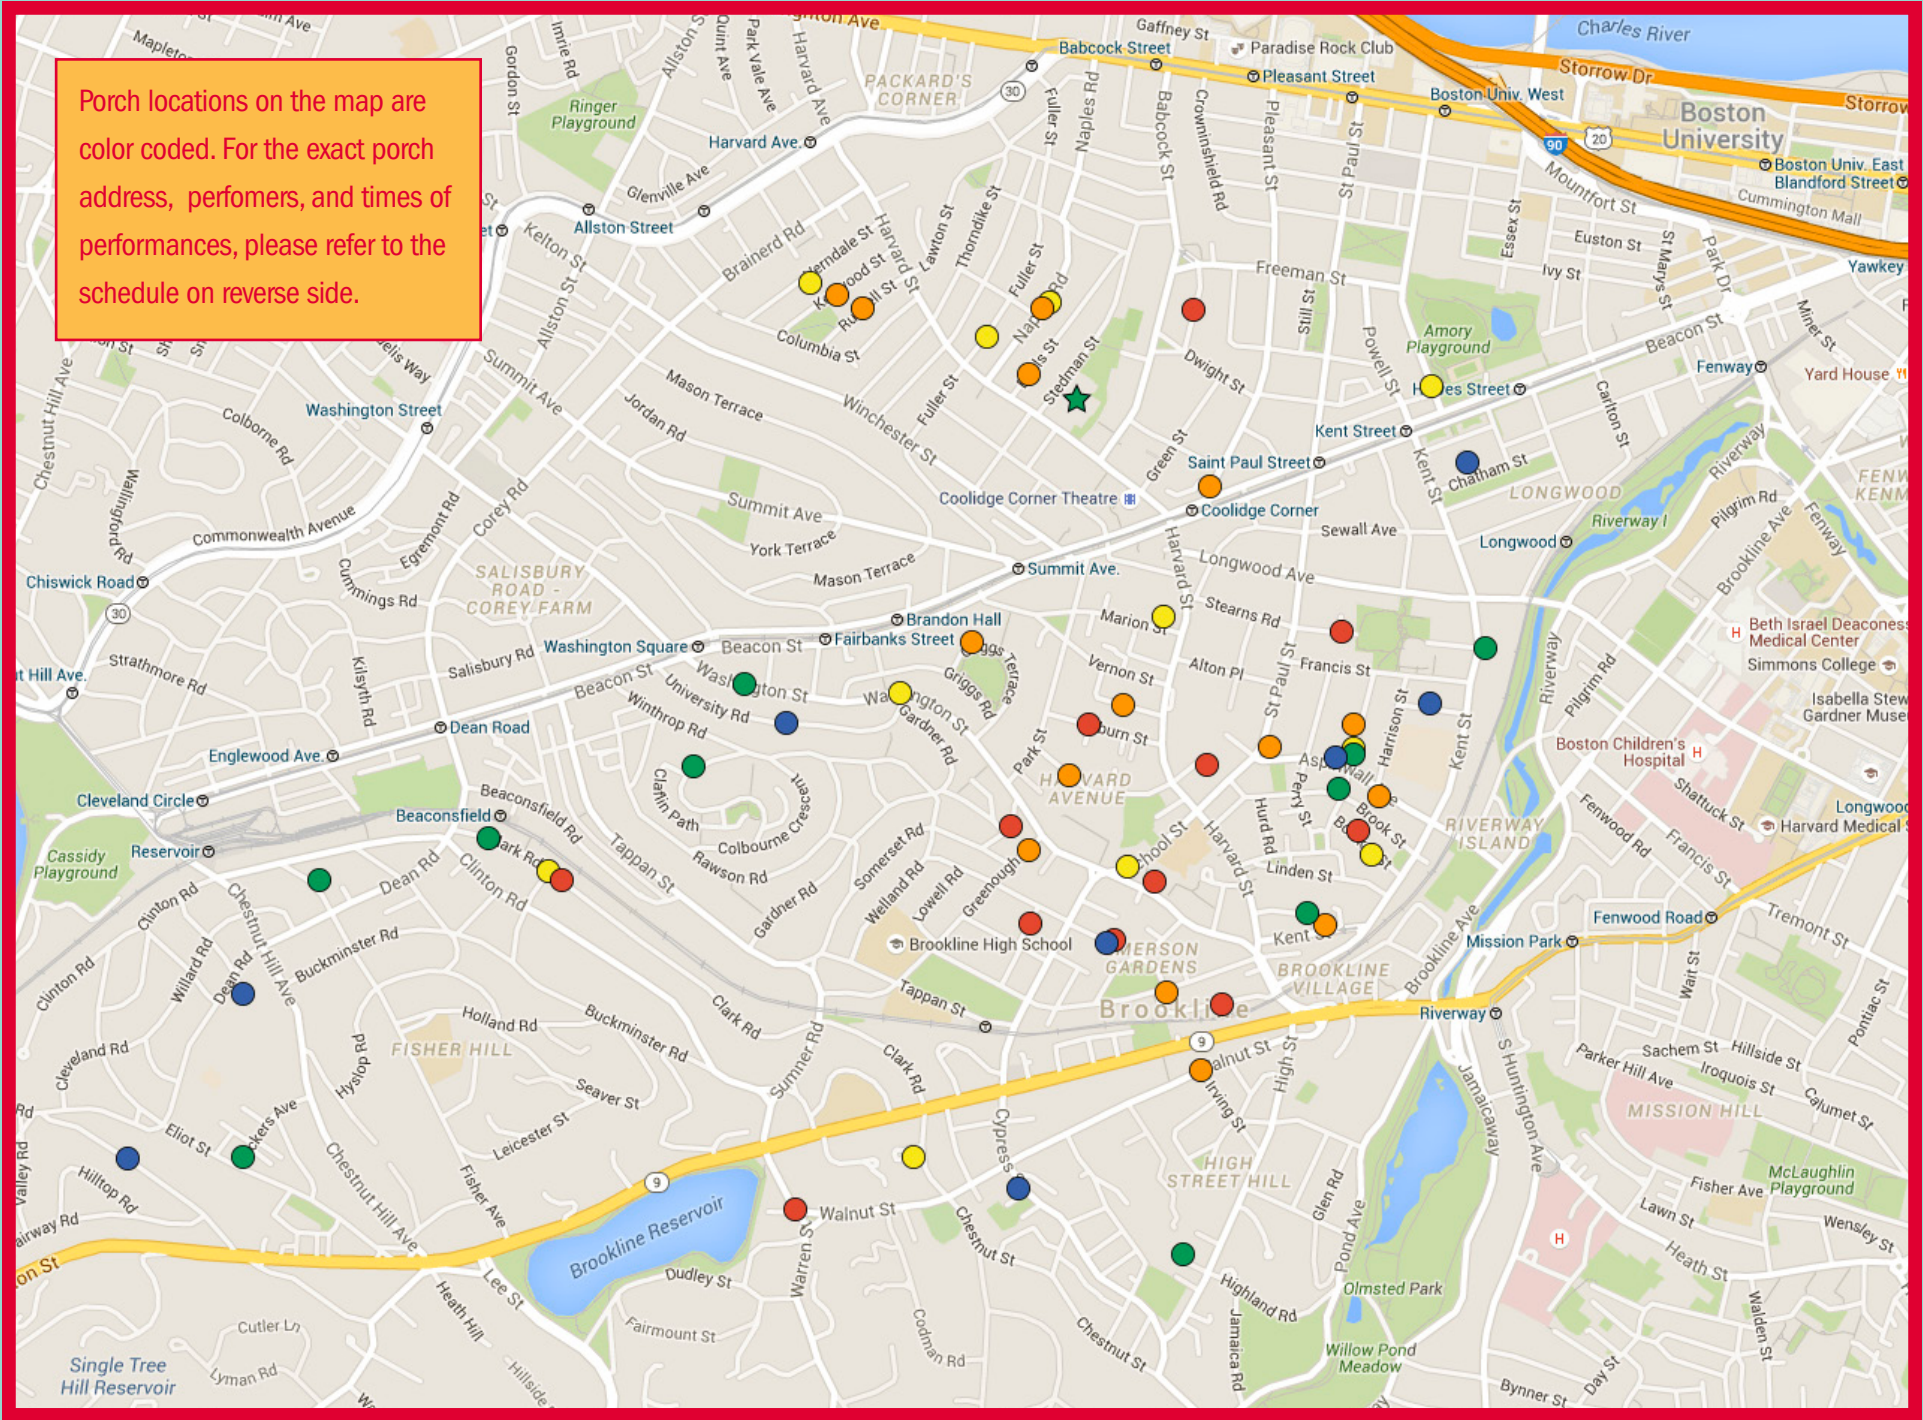

Welcome to Brookline's First Porchfest! On June 4th, you will find music on over fifty porches, some on lovely residential streets and others on the main streets of Brookline. Use this handout to guide you on your musical journey through Porchfest (also available at www.brookline.porchfest.info).

Brookline Porchfest has music of many, many genres from classical to jazz and blues to rock. There are even porches where you can sing-a-long! Of course, no matter the porch we hope you'll move or dance to the music. Each porch that you visit will have performers for up to two hours, so plan to roam around town or pick a few of your favorites and hang out on the front lawn.

Be sure to visit the 38th Annual Coolidge Corner Arts Festival on the Devotion School grounds from 10am - 6pm. In addition to their 75 juried artists, food and drink, Porchfest musicians will be jamming from 3:00 - 6:00 p.m. It is a wonderful showcase of the arts in Brookline.

ArtsBrookline and Brookline Music School are thrilled that you are part of this great day! Thank you to the many artists sharing their talents with us.
